Description and Dramaturgy
of Music Pieces

Andante (Finale-8) from Suite No.2
Hearts of gold; hearts of stone

Andante (last of 8 movements) from Suite No. 2: Hearts of Gold; Hearts of Stone. It is orchestral and the main tune is delivered by a main harp (supported by a second harp) as well as wood winds. It is the dream of one child to be carried over by a beautiful butterfly, on her wing, up to the sky. It sounds passionate and earnest. Relax and have fun. Rafi
