Fantaisie Orchestrale-1, Action- car chase

This is an action tune building up euphorically and progressing, repeatedly for three times with added tensions each time. The scene is a father driving his car and trying desperately to catch up with the car of the kidnappers of his son. They are just ahead of him. In the background is the voice of the mother singing and imploring the father not to let go. Full strings, two pianos, one harpsichord, percussions and vocal. Rafi

Composed written and Recorded By Rafi G. Baladi in 1996.
